

2026 Electric Anniversary Enrollment Mailing Green Community Choice Program

Community Leader Information Packet

NOPEC is required by the Public Utilities Commission of Ohio (PUCO) to send enrollment letters to all eligible electric customers every three years. The enrollment letter provides details about the aggregation program, rate options available, and instructions on how to opt out of the program.

The information enclosed in this packet provides details of the anniversary enrollment mailing for the contract period of June 2026 – June 2029.

About NOPEC

NOPEC is the largest public retail energy aggregation in Ohio, serving nearly 1,000,000 customers in 250 member communities. We buy electricity and natural gas in bulk, passing the benefits on to our customers. Since 2001, NOPEC has saved our customers hundreds of millions of dollars on their energy costs.

NOPEC also works to protect Ohio consumers by challenging utility rate increases and fighting for consumer-friendly energy policies. Plus, we provide many other benefit programs that support local communities through economic development initiatives, resiliency and sustainability support, and educational opportunities.

For more information about NOPEC, visit [nopec.org](https://www.nopec.org).

About Green Community Choice

The Green Community Choice Program makes it easy for communities to support renewable energy initiatives. Through their default electric aggregation program, all eligible residents and small businesses in participating communities will be automatically enrolled into NOPEC's Green Community Choice option for the June 2026 - June 2029 electric aggregation program term. The electricity for this program is backed by Green-e® certified Renewable Energy Credits (RECs) for 100% of the electricity used by enrolled customers. The incremental cost for the RECs will be no higher than \$0.002 cents/kWh or about \$1.75/month for the average residential household over the term of the program.

Individual residents and small businesses can still choose to participate in any of NOPEC's other rate options as well, including Fixed Term Rates, a Monthly Variable Rate, and the Standard Program Option.

Anniversary Enrollment Timeline

Important Dates

- **Early-April** – Enrollment letters begin to go out to residents and small businesses
- **Opt-out deadline is May 8, 2026.**
- **June 2026** – New term begins with customer's meter read date
- **Enrollment Term:** June 2026 through June 2029

Enrolling in NOPEC

Eligible Customers

- All eligible residents and small businesses in a Green Community Choice Community will automatically be enrolled into the Green Community Choice default option that is backed by Renewable Energy Credits (RECs) for 100% of the electricity used unless they call and request enrollment in one of the other available product alternatives.
- Customers can expect to receive a letter from their utility confirming enrollment into NOPEC's electric aggregation program.

Additional Program Options

Customers can enroll in any of these additional program options by contacting NOPEC's Customer Care Center at 855-667-3201.

- **Monthly Variable Price** – a percentage off the utility's monthly Price to Compare. Enrollment under this option is limited.
- **NOPEC's Standard Program Price**
- **Fixed Term with or without 100% Renewable Content** – Select either a 12- or 24-month fixed term price
- **For additional information on pricing options, visit nopec.org/electric.**

Handling Resident Phone Calls

- Residents can contact NOPEC's Customer Care Center at:
1-855-NOPEC01 (855-667-3201)
- Call center is available **24 hours a day, 7 days a week.**
 - Staffing is increased during opt-out periods to handle increased call volume.
