(Community Name) is a member of NOPEC's (natural gas, electric, natural gas and electric) aggregation program(s).

NOPEC is a group of 250 Ohio communities that works together to negotiate electricity and natural gas rates for eligible residents and small businesses in member communities.

Since 2001, NOPEC has:

- Saved customers hundreds of millions of dollars on energy costs.
- Provided education opportunities for Ohio students and residents.
- Advocated for consumer-friendly energy policies to help protect against unfair utility rate increases.
